

"Horizon Tuesday Playgroup"

Horizon ECIS runs a weekly playgroup for children aged 0-5 years.

This playgroup has a focus on inclusion of all children, including those children with additional needs. The group is facilitated by Early Childhood Intervention Teachers who will confidently incorporate a range of strategies to support children's learning and development.

The aim of our playgroup is to provide a relaxed space for families to connect and to support children's learning and interactions; Preparation for preschool environments and of course lots of fun!

The morning will be broken into a routine of unstructured play experiences, group times and a morning tea. Please bring a hat, a drink and a small snack for morning tea.
